PILGRIMAGE TO

Indonesia

A LIFE CHANGING JOURNEY

6TH -16TH DECEMBER 2017

 **fusion**
AUSTRALIA

a life. changing journey.

Fusion Sunshine Coast is organizing this Pilgrimage to help educate ourselves about the reality of life for those not so far from Australian borders. Participants will learn not just about the poverty of the land but also about the richness of this culture and begin to see the value of this beautiful land.

Participants will not just rush through the typical "Bali experience" and see the heavily photoshopped face put on by the corporate world; but will experience the reality of life in Indonesia. This is a rare opportunity to see both the extravagant highs and the crushing lows of living in this almost paradoxical third world country.

This trip is designed to give students a chance to delve into their preconceived ideas of life in Indonesia and come face to face with the reality of life for these people.
